Re: Contract Employment Opportunities

The Educational Leadership Consortium of Nova Scotia is embarking on this new school year with the implementation of a new developed and approved Strategic Plan (Leadership Success Plan).

As part of the plan, the Board of Directors provided me with the direction to contract several individuals to assist with the implementation of the plan. As such, there are currently two such contract opportunities available – one that focuses on the Review of the Aspiring Leaders Program (ALP) & the Instructional Leadership Academy (ILA) and one that focuses on other aspects of our Professional Learning (Framework).

I am reaching out to you, as PSAANS members, with the thought some of you may be interested in considering these current opportunities. Having participated in Educational Leadership Consortium programming in the past would be an asset.

Attached, please find the following documents:

1. Contract Employment Opportunity – Lead for Strategic Plan (Focus: ALP & ILA Review)
2. Contract Employment Opportunity – Lead for Strategic Plan (Focus: Professional Learning – Framework)
3. Expression of Interest Form

Deadline to express interest is **Friday, September 25, 2020**

Should you have any questions please feel free to contact me at sisenorryan@nselec.ca
